School Overview

We are a semi-rural school located between Jimboomba and Beaudesert and currently have an enrolment of just under 250 students across Years Prep to Year 6. The teaching of literacy and numeracy is our core business and is linked to all key learning areas. Classroom and specialist teachers cover all key learning areas. We do offer a range of distinctive curriculum activities. We also offer a school leaders' program for our school captains, house captains and seniors students. This gives students the opportunity to run parade and build their skills in public speaking and playground leadership. Our mentors program runs all year between the year 6, Prep and Year 1 students and has had excellent results. We are renowned in the area for our annual Billy Cart Derby which involves our school and wider community.

Parent and community engagement

Our school staff work closely with our parents and carers as well as our P&C executive and School Chaplain. We provide parent information sessions, parent induction sessions, parenting courses as well as an area for parents to sit and talk to each other.

We ask each parent/carer to provide their child's class teacher of a "snapshot" of their child to assist us in better understanding the unique characteristics of each student.

Each week a Student needs action committee meets to discuss specific student's needs. The class teacher always consults with the parents/carers before this meeting occurs. The committee consists of Principal, HOC, BAT, Guidance Officer, Senior Teacher and Students with Special Needs teacher.

This collaboration is reflected in the harmonious and salubrious atmosphere that is our school.

We strive to provide a safe, inclusive and supportive environment which maximises student learning through a wide range of academic, cultural and sporting activities that occur as well as adhering to our PBL guidelines and consequences grid.

These include: Literacy and numeracy blocks supported by additional teacher aides to ensure at least two extra adults in each class during these times; tuckshop; book club; banking; clubs; bush dancing; Pyjama Days-for Kids in Care; Harmony Day; Woodhill's got Talent; participation in district sporting events; Cluster Days of excellence and Innovation days and our major fundraiser-our Billy Cart Derby.

Our school was established in 1873 and has families who have attended our school through the generations.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships. We implement a well-being framework throughout the school and run various boy and girl groups based on peer relationships, resilience and problem solving.

We have incursions based on recognizing, understanding and dealing appropriately with our feelings.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	3	30	27
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

We have class weekly awards which target the environment including energy conservation.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	44,077	0
2014-2015	14,235	
2015-2016	948	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Rolls are marked digitally twice a day.

When a pattern of lateness, early departures or absences become apparent, parents/carers are contacted for an explanation.

If students arrive after the first bell or leave before 3 p.m. their parents are required to sign them in/out at administration.

Each newsletter publishes class percentages of attendance.

Every five weeks students who have not been absent for this period are acknowledged at the weekly Parade.
