Colour Run Friday 3rd
December

Dear parents and carers,

SOLAR PANELS

Next week a 38.94 kW Solar System will be installed on the roof of the undercover area and the resource center. This is an initiative from the Queensland Department of Education in an effort to reduce school's energy costs. For more information on the Advancing Clean Energy Schools (ACES) program, please go to <https://alt-qed.qed.qld.gov.au/programs-initiatives/department/building-education/major-projects/cooler-cleaner-schools>.

TUCKSHOP

Our P and C are excited to announce that Tuckshop will be open on Tuesday 23rd and Tuesday 30th November. A menu of available items will be sent home as well as being attached to this newsletter.

SCHOOL REPORTS

Semester 2 reports will be emailed to parents and carers during the last week of term 4. Please ensure the school has your most recent email address.

Staff and students of Woodhill State School acknowledge the Mununjali people, the traditional custodians of the land on which our learning takes place. We would like to pay our respects to elders past, present and future and acknowledge their ongoing relationship and connection to country.

CARPARK SAFETY

If you collect your child from the carpark at 3pm, please do so from the grass verge opposite the bus/stop, drop and go lane. This ensures everyone's safety as students are not making their way to the other side of the carpark unaccompanied.

COLOUR FUN RUN FUNDRAISER

Our P and C have organised a Colour Fun Run fundraiser. Information packs have already been sent home.

Please see key dates below.

5th October FUNDRAISING KICK OFF

5th November FUNDRAISING CLOSED

9th November PRIZE ORDERING OPEN

16th November PRIZE ORDERING CLOSED

3rd December 2-3pm COLOUR FUN RUN (all welcome)

UNIFORM SHOP

Uniform shop is now operating on Monday and Friday mornings, 8-8:30am.

2022

Due to the fluctuating number of enrolments, class lists for our 2022 classes will be available on the first day of school 2022.

Our staff have a great deal of knowledge of all of our students, and much consideration is given to balancing student's academic and social needs, as well as considering any requirements for students with disabilities and other diverse learning needs. Our teachers are trained to teach across all year levels. I have a great deal of confidence in all of my teachers, and know that all parents and students should be extremely comfortable knowing we have such a dedicated and capable group of teachers at our school. I ask that you trust that we are able to make these decisions and that your students will be well catered for at our school.

DISCO FRIDAY 19TH NOVEMBER

- Arrival from 4.50pm for start at 5pm
- Entry will be through one of the front gates - please look out for p&c member with the clipboard.
- ✍️ Please sign your child in - they will receive a stamp/mark on their hand 🖐️ this will show they have been marked as arrived.
- 👧👦 Children can then walk up and get their glow sticks and goodie bags as they enter the disco through the sparkling doors.
- 🍷 Parents are welcome to wait in the Shebang area.
- 🎧 DJ to start at 5pm
- 🍕 Pizza dinner & drinks will be approx 5.30-5.45
- ✂️ 6.30pm disco will finish, as children walk back to the gate please collect and sign out. They will NOT be released without a parent signing them out.

Due to our insurance policy only covering the students, we are requesting that parents wait away from the disco in the Shebang undercover area. This not only gives you a little time to mingle kid free but it also gives the kids a little time to have a boogie and a laugh with their friends. We assure you the entire P&C committee will be in attendance along with the principal and we are sure a few teachers as well. We are excited to see everyone tonight.

PICKLE BALL

Pickleball will be on at the school this Saturday and Sunday 8-10:30 a.m.

If you would like to come and try, please sms your name and number of people-children/adults and which day to Lisa-0422 277 715
